Department of Research and Evaluation

FFY17, Year 2, Quarter 1
December 1-31, 2016

The Volunteer Behavioral Health Care Services Now Is The Time (NITT) — Project AWARE-C initiative is a three-year, SAMHSA-funded grant program that serves Marion, Sequatchie, and Grundy counties in Tennessee. The primary purpose of this project is to increase mental health literacy among adults in the rural Central Appalachian region of Tennessee and to provide the youth of this region, ages 12-18, with access to resources and services that promote mental wellness.
